Pictured (Left to Right): Bite2Go Leadership Team members Brenna Sloan, Tom Stevenson, Shannon Kinney, Steve Durham and Julie Myklebust

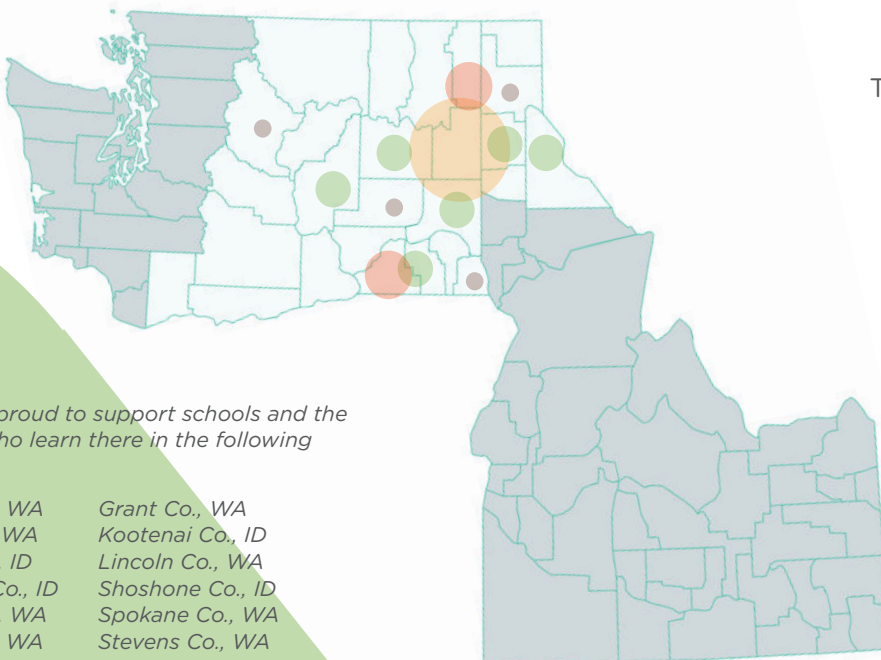

Just ten years ago, Bite2Go began as a dinner table conversation about how to support hungry kids. As the map below illustrates, Bite2Go has grown from those humble roots to become a program whose impact is felt across an entire region. Thanks to your generosity and tireless efforts, the Bite2Go program now serves over 11,500 hungry kids over the weekend.

On behalf of the thousands of children whose lives you have touched, we extend our deepest gratitude for your generosity, compassion and dedication. Your support has filled hearts with hope and optimism for a brighter tomorrow.

by the numbers

proud to serve The Inland Northwest

With roots in Spokane, Bite2Go has grown to serve 14 counties across Eastern Washington and North Idaho.

Bite2Go is proud to support schools and the students who learn there in the following counties:

Adams Co., WA	Grant Co., WA
Asotin Co., WA	Kootenai Co., ID
Bonner Co., ID	Lincoln Co., WA
Boundary Co., ID	Shoshone Co., ID
Benton Co., WA	Spokane Co., WA
Chelan Co., WA	Stevens Co., WA
Franklin Co., WA	Whitman Co., WA

Over **312,000** Bite2Go kits were distributed.

Over **150** adoptive organizations worked together to support food insecure children.

This year, volunteers clocked over **7,076** hour volunteering.

We partnered with over **200** schools to serve students facing hunger.

Adoptive Organizations pre-K and elementary

Thank you to the generous adoptive organizations who make Bite2Go possible. Please take a moment to recognize the multitude of businesses, faith organizations, and individual donors who have opted to take a stand against child hunger across the Inland Northwest.

Pictured: Aubree, Bite2Go Recipient

Aubree says it's hard to focus in class if she's hungry, making her feel sad and bored. But that changes when she eats her Bite2Go foods.

"It's like heaven," she says while laughing. "It's from people that care about this school, and that makes me happy, too."

our year in Review

A Year of Growth

Thanks to the generosity of our donors and volunteers, we were able to expand Bite2Go to new schools and new communities including Spokane Valley's Central Valley School District, Othello and Quincy in Washington's Columbia Basin along with nearly 20 Head Start and Early Childhood Education and Assistance Programs in Spokane.

Storytelling

The Bite2Go team partnered with Spokane's Cornerbooth Media to tell the story of three communities and their approach to funding and running

a Bite2Go program. Check out the QR code to see Bite2Go in action in Sandpoint, ID, Reardan, WA, and Quincy, WA.

Artwork

Student artwork brightens the walls of the Wolff Family Child Hunger Solution Center. The Bite2Go team has worked with students and staff at some of the schools we support, including Lidgerwood Elementary, Yasuhara Middle School, and Lewis and Clark High School, to celebrate the kids we serve and to connect our donors and visitors to our mission.

Volunteers

Bite2Go is possible because of the tremendous support of hundreds of volunteers who donate their most valuable asset - their time. In addition to building and distributing Bite2Go kits, in the 23/24 school year, our volunteers took on a new role as they drove thousands of miles each month to deliver food to some of the remote communities we serve.
