

BITE2GO: ADOPTIVE ORGANIZATION WHAT TO EXPECT

COMMITMENT DETAILS:

- These students have had way too many starts and stops in their lives, so we ask that you intend to fund Bite2Go for at least three years. Financial statements are sent monthly. Communicate with Second Harvest your preferred method of payment.
- Choose and empower a liaison within your organization who is passionate about feeding children to facilitate the program.
- Designate a volunteer driver to pick up and deliver Bite2Go kits/product to the school. This could be either weekly or biweekly.
 - Any changes in delivery should be emailed to Second Harvest at: bite2goorders@2-harvest.org.
- Maintain consistent communication with the school and Second Harvest about any issues, opportunities and successes.
- Adoptive Organizations are encouraged to embrace the adoption of their school by using the "More Menu" to determine other ways to help kids in need.

PRICING:

- The cost to sponsor a child over the weekends with Bite2Go is based on a 36-week Bite2Go Kit delivery model for the school year and, if monthly payments, over 12 months.

MONTHLY SUPPORT

Elementary: \$15
Middle: \$24
High: \$30

YEARLY SUPPORT
