

second harvest accountability report

how you help

Because of your support, Second Harvest, the Inland Northwest's leader in serving people facing hunger, has been supplying donated food to food banks, meal sites and other programs for 51 years. Partnerships with more than 250 community agencies provide food to thousands of children, families and seniors each week in Eastern Washington and North Idaho.

Food industry partners—such as grocery stores, regional farmers and growers, producers, and distributors—donate fresh meat, dairy, fruits, vegetables and other staples for our neighbors in need. Dedicated volunteers give their time to lead community food drives and help with Mobile Market free food distributions and nutrition education activities to ensure that wholesome food gets to those who need it most.
