[Watch: SPS Reading Buddies Partner for Student Success](#)

Become a Reading Buddy in three steps!

1. Apply

Fill out the Spokane Public Schools' application at [this link](#) using a desktop computer. The application is not mobile friendly.

Tip: Before filling out the application you'll need a photo of your **driver's license** (.jpg format recommended), and to have downloaded, completed, and saved the [SPS Disclosure Statement](#) form to upload to the application.

Wait for your application to be approved before moving to Step 2

2. Connect with the School

After you receive an email that your application has been approved email the principal assistant at the school of your choice letting them know your application was approved. They will set a time with you to come in for a quick orientation and tour.

*See [Reading Buddies Schools sheet](#) with names of schools, principal assistants, and email addresses.

2. Attend the Orientation

Attend the orientation with the principal assistant and set up a weekly time to read with students!

If you have any questions about your volunteer application, contact **Trish Gray** with Spokane Public Schools at trishg@spokaneschools.org.
